## Treehouse Rules

1. Clean socks **must** be worn by all children and adults at all times. Shoes must be removed when entering play area.
2. Adult supervision is required for all children at all times. Drop offs are not allowed.
3. Respect each other and the equipment. Children who do not do so will be redirected by staff up to two times. On the third time, staff reserve the right to remove the child from the play space for the remainder of the day in order to maintain a safe environment for all.
4. Only food purchased within the facility is allowed and must be kept in designated eating areas. The Treehouse has a snack bar that serves "grab and go" drinks and healthy snacks. Gluten and allergy friendly options are available.
5. For the safety of all...no sick children allowed. Children showing sign of illness including but not limited to fever or vomiting will be asked to leave and may not return for 24 hrs. Please refer to the communicable disease chart posted by the state for more information.
6. Parties require reservations and must occur within the designated party area.

## **Sanitation Schedule**

All toys and equipment will be sanitized daily with a bleach solution. Scheduled cleaning times are at noon and close each day. Please help us maintain a clean and safe environment by having your child wash his/her hands before/after entering the play space in addition to following toileting and eating. Any toys that are mouthed can be placed in the dirty basket to be cleaned and returned.

## **Equipment**

Play equipment located at The Treehouse is specifically designed to support learning and development through play for children ages 3-9. With tunnels, slides, climbers, monkey bars, vertical writing surfaces and more, the equipment provides a safe space for children to develop fine and gross motor skills while developing social skills through positive interactions with peers.

The Treehouse also has STEM inspired centers including but not limited to dramatic play, transportation and construction, and a reading area. The materials in these centers will be rotated on a scheduled basis.

A designated play area is provided for children ages 1-2. Age appropriate toys and equipment are provided within this area to make sure older children do not interfere with safe play.

## **Rentals**

The Treehouse will offer rentals for birthday parties. Please see a staff member regarding prices. The Tree House also works with outside groups to support the needs of the children within our community by renting out office spaces (which include use of the equipment) to learning professionals, counselors and therapist.

## **Staff**

All Treehouse staff are certified in CPR/First Aid and Fire Safety, screened through local and state background checks, and receive initial Health and Safety training as directed by the state for childcare and learning centers. **THOUGH WE ARE NOT A CHILDCARE OR LEARNING CENTER, THE SAFETY OF THE CHILDREN IS OUR PRIORITY AND WE WORK TO PROVIDE STAFF WITH THE RESOURCES THEY NEED TO MAINTAIN A SAFE AND HEALTHY ENVIROMENT FOR THE CHILDREN WE SERVE.** Staff will work to provide additional supervision and will be responsible for making sure the play area remains clean and well kept; however, parents are required to directly supervise children for which they are responsible and must remain on site at all times children are present.

## **Waivers**

Waivers must be signed and kept on file for all children present at The Treehouse.

## **Attendance Policy**

As an **exempt program** with Bright from the Start Department of Early Care and Learning, children may participate in programs at The Treehouse for a maximum of 10 hrs per week. Attendance will be tracked through our sign in/out system.

\*The Treehouse is not a licensed childcare center and does have liability insurance.
